** If you wish your passport to be returned to you by post please provide a Special Delivery envelope with sufficient postage and indicate clearly on this form that you wish your passport to be returned by post and to which address. Special Delivery insures your documents and guarantees next working day delivery. It requires a signature on delivery and will need to be collected from your sorting office if you are not available to sign for it when it is delivered. It is recommended that you pay the small additional fee to insure against consequential loss. Please ask for details at the Post Office. If you provide a pre-paid envelope you do not have to pay any additional postage fee.

Mobile Visa Service will retain the information on this form and may use it to contact you in the future with relevant information regarding visas. If you do not agree to this please place a cross (X) in this box.

Please note that passports can only be returned during our business hours (10:30am-5:30pm). If you wish to collect your passport from Kensington you must have valid identification and collect it on the same day we tell you it is ready.

I have read and understand the procedures and terms. Please start processing my visa. I understand that Mobile Visa Service Ltd will not normally communicate with me until my passport is ready unless there is a problem. I understand that Schengen visas should be applied for from the country of the main destination of my first trip to the Schengen States after the visa's issuance, and that not travelling to the Schengen country which issued the visa FIRST may prejudice future applications for Schengen visas.
